

Upcycled Art Auction Fundraiser Designer/Artist/Crafter Application

Thank you for your participating in the Upcycled Art Show hosted by the
Adams Rescue Mission.

1. Anyone may enter a piece of art to the show. Submit this application with EACH PIECE ENTERED.
2. Upcycled Art pieces must be made primarily from recycled materials.
3. Items become the property of the ARM, and therefore may be photographed, used in promotions, on Facebook, website, etc.
4. Event will be held on **Friday, June 7, at The Gettysburg Academy, 66-68 West High Street in Gettysburg PA**. This will be a one evening, outdoor event, featuring a live auction for all upcycled pieces, and an add-on silent auction fundraiser with donations and gift certificates. This will be a ticketed event, tickets can be purchased in advance, and if any remain, at the gate.
5. At the event, there will be a food truck and drinks (alcohol and water/soft drinks) available for purchase.
6. All pieces submitted will be auctioned off to the highest bidder during the live auction with all proceeds benefitting the ARM homeless shelter programs.
7. Any items that do not receive bids will be returned to the designer or sold in our thrift store.
8. Items will be photographed, pictures on Facebook, and will include a description with artist name and materials used (as included in application). As the designer/artist, please set the starting bid amount (usually a third or half the value of the item is recommended). This amount should reflect the time and cost of making the piece, however, leave room for the bidding process.
***ARM staff reserves the right to adjust the starting bid as needed.**
9. The ARM will advertise/promote the event, but you can help by sharing our Facebook posts and fliers with friends and family. This will be posted on the Adams Rescue Mission's Facebook page. 'Like' our page so you can easily share our posts!

*******Other drop off arrangements must be made in advance, please contact Heidi. *******
11. **Artists are encouraged to attend the live event!**
